FUNNY, THEY DON'T LOOK LIKE LIBRARIANS.

BUT THIS COUPLE OF CATS REPRESENTS A COMPANY THAT STAFFS THE MOST INNOVATIVE LIBRARIANS — READY TO HELP YOU BUILD THE BEST COLLECTIONS POSSIBLE.

From sales to marketing to customer service, our librarians bring their expertise and insight to every facet of Baker & Taylor Books. That's especially important when it comes to the challenging task of collection development. Let Baker & Taylor Books' librarians help make your job a lot easier through these time and effort-saving programs:

BUILDING COMPREHENSIVE COLLECTIONS.

Our *Approval Program* offers the most sophisticated collection development system in the industry. It includes specialized services like customized profiling to make sure every automatic shipment of new titles you get meets your library's requirements. Periodic reports, free freight and a choice of discount plans are other valuable features of our Approval Program.

BUILDING STANDING ORDER COLLECTIONS.

Our *Continuation Service* is a standing order program that makes it easier than ever to bring order and control to your serial collections.

Offering a comprehensive database of over

25,000 titles, Continuation Service means you can order everything from one source — Baker & Taylor Books.

INTRODUCING OPENING DAY COLLECTION SERVICES.

There's nothing we won't do to help you through the enormous complexity of building a new library or the challenge of expanding a collection. Indeed, our new *Opening Day Collection Services* include everything: planning and selecting, cataloging and processing, packing and shipping. If you'd like, we'll put the books right on your shelves.

BUILDING PAPERBACK COLLECTIONS.

We get you hot paperback titles quickly and easily through our *Paperback Parade Service*. We do it by offering a broad range of ordering plans which are geared to different age groups, types of libraries and popular subjects. All you have to do is sign up for a predetermined number of titles at one set price and we'll automatically ship a new selection to you each month.

As you can see, with so many innovative librarians working for us, we've got collection development down to a science. To take advantage of these outstanding programs, call the
